Office Memorandum • UNITED STATES GOVERNMENT

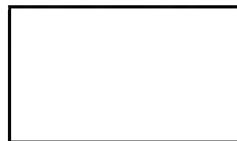

TO : MEMORANDUM FOR THE RECORD

DATE: 5 June 1952

FROM : General Counsel

SUBJECT: Special Congressional Committee on Charitable Foundations

Mr. Dulles has determined we should not pursue this matter with Representative Cox further at this time, but that if Mr. Cox calls we may then meet with him to discuss the problem. I do not expect that Mr. Cox will call, and Mr. Dulles is of the opinion that the whole situation may blow over in the near future.
